

Model Meeting Guidelines

Clubs are encouraged to plan a model meeting that depicts a typical monthly meeting of their 4-H club. The meeting may be designed to suit the needs and interest of the 4-H club members.

1. The group is composed of the club membership and leaders. The club must have a majority of members participating in the model meeting.
2. An agenda of the model meeting must be presented to the judge **before** the meeting is called to order.
3. Club president will draw a parliamentary problem for the club's business. The club leaders will meet with the president and secretary and announce the item of business to the members. Club will not meet as huddle to assign responsibilities.
4. The maximum of 35 minutes are allowed for the model meeting excluding the roll call.
5. During the model meeting, the secretary should take notes. After the meeting, the secretary should turn in model meeting notes to the judge. Completed minutes and up-to-date secretary's book (prior to the model meeting) **are required**. No other officer's books are required.
6. When sitting at the table, the president should always be to the right of the secretary and the American Flag should be to the president's right, so that the American Flag is always farthest right of anything on the table. This puts the 4-H flag on the president's left, in front of the secretary.
7. Recreation may be at any time during the meeting. Some clubs prefer to have their recreation at the start of the meeting, rather than at the end. **NO RECREATION AT REGIONAL.**
8. Meetings will be scheduled 45 minutes apart. Clubs should plan to set up, complete the model meeting, and exit the room in the 45 minutes allotted.

Explanation of Model Meeting Score Card

1. **Business.** Follow the order of business as given in the So You Are President of Your Group, 4-H 471. Planning the business meeting to display 4-H'ers skills in conducting a meeting and their ability to use correct parliamentary procedure. There will not be time for lengthy discussion of motions. The parliamentary procedure used should expedite, and not obstruct business. Naturalness and alertness are as important in the business meeting as in the program.
2. **Reports** should give interesting, valuable information. They should be complete, but concise.
3. **Ceremonies.** There should be one major ceremony such as initiation, installation, placing a seal on the charter, older 4-H'er "graduation" leadership recognition, citizenship, or other ceremony in addition to routine opening and closing ceremonies. Ceremonies should be well done and impressive. Originality is desirable, but it is more important to have a ceremony be meaningful and impressive. Ceremonies may be used where appropriate in the meeting.
4. **Program.** Arrangement of the program may be worked out to please the club. "Balance" of program refers to the approximately equal participation by boys and girls. The time division between parts of the program should approximate that of a good local 4-H meeting. Time divisions for a model meeting will usually fall within these limits:

Opening ceremony and business- (12-14 minutes)

Program - (14-16 minutes)

Recreation - (4-5 minutes)

Closing ceremony and announcements - (2 minutes)

Songs should show appreciation of good singing. Games, stunts, and skits should be adapted to the age of the group and should teach teamwork. One game involving rhythm and coordination is desirable. Quality of program means accuracy, timeliness, and value of the information presented or entertainment given and excellence of delivery.

5. **Attitude.** Naturalness, alertness, enthusiasm, and teamwork are desired. The presentation should give the impression of an actual 4-H meeting. Look at and talk to 4-H'ers, not to the audience. Each 4-H'ers contribution to the program should be heard by the audience, but not directed to them. The seating arrangement may be as desired for the best hearing, seeing, participating, and effective use of space.
6. The secretary shall give the judges the notes recorded during the meeting. Notes or minutes prepared beforehand are not acceptable. The up-to-date 4-H Secretary's Record Book should be submitted with the notes.
