

What is Cut Throat Kitchen?

It's a cooking competition—similar to the TV show of the same name—that will take place from 6:00—8:00 pm on Wednesday July 12 at the Stafford County Fairgrounds. Contestants will be placed on a team of four people and will compete in a three-round elimination contest. Each team will receive \$5000 cash (Monopoly money) before the first round. Each team will have their own table to prepare and cook food, and the “kitchen” includes a wide range of other tools and equipment as well as ingredients.

How Do We Play?

Use the registration form at the bottom of this page to get signed up. Once signed up, teams will be selected and announced before the competition. In each round, the teams are assigned a dish to create. After the dish is announced, the chefs have one minute to collect all of the ingredients (provided) they need from the “pantry” in one trip, using baskets or containers that are provided. This event will take place in the 4-H Building, so the “kitchen” & “pantries” will be a designated spot in the building.

How Do We Win?

In each of the first two rounds, items will be auctioned off that the teams can use to sabotage another team. Sabotage types include equipment/ingredient changes, restrictions on movement freedom, and loss of cooking time. The highest bidding team pays for the item out of the teams remaining funds, and if necessary, decides which team will face the sabotage. Sabotaging another team won't guarantee a win—but that's what makes *Cut Throat Kitchen* so much fun! Oh....and did we mention that there's CASH prizes for the winning teams???
